

HERMES

HERMES

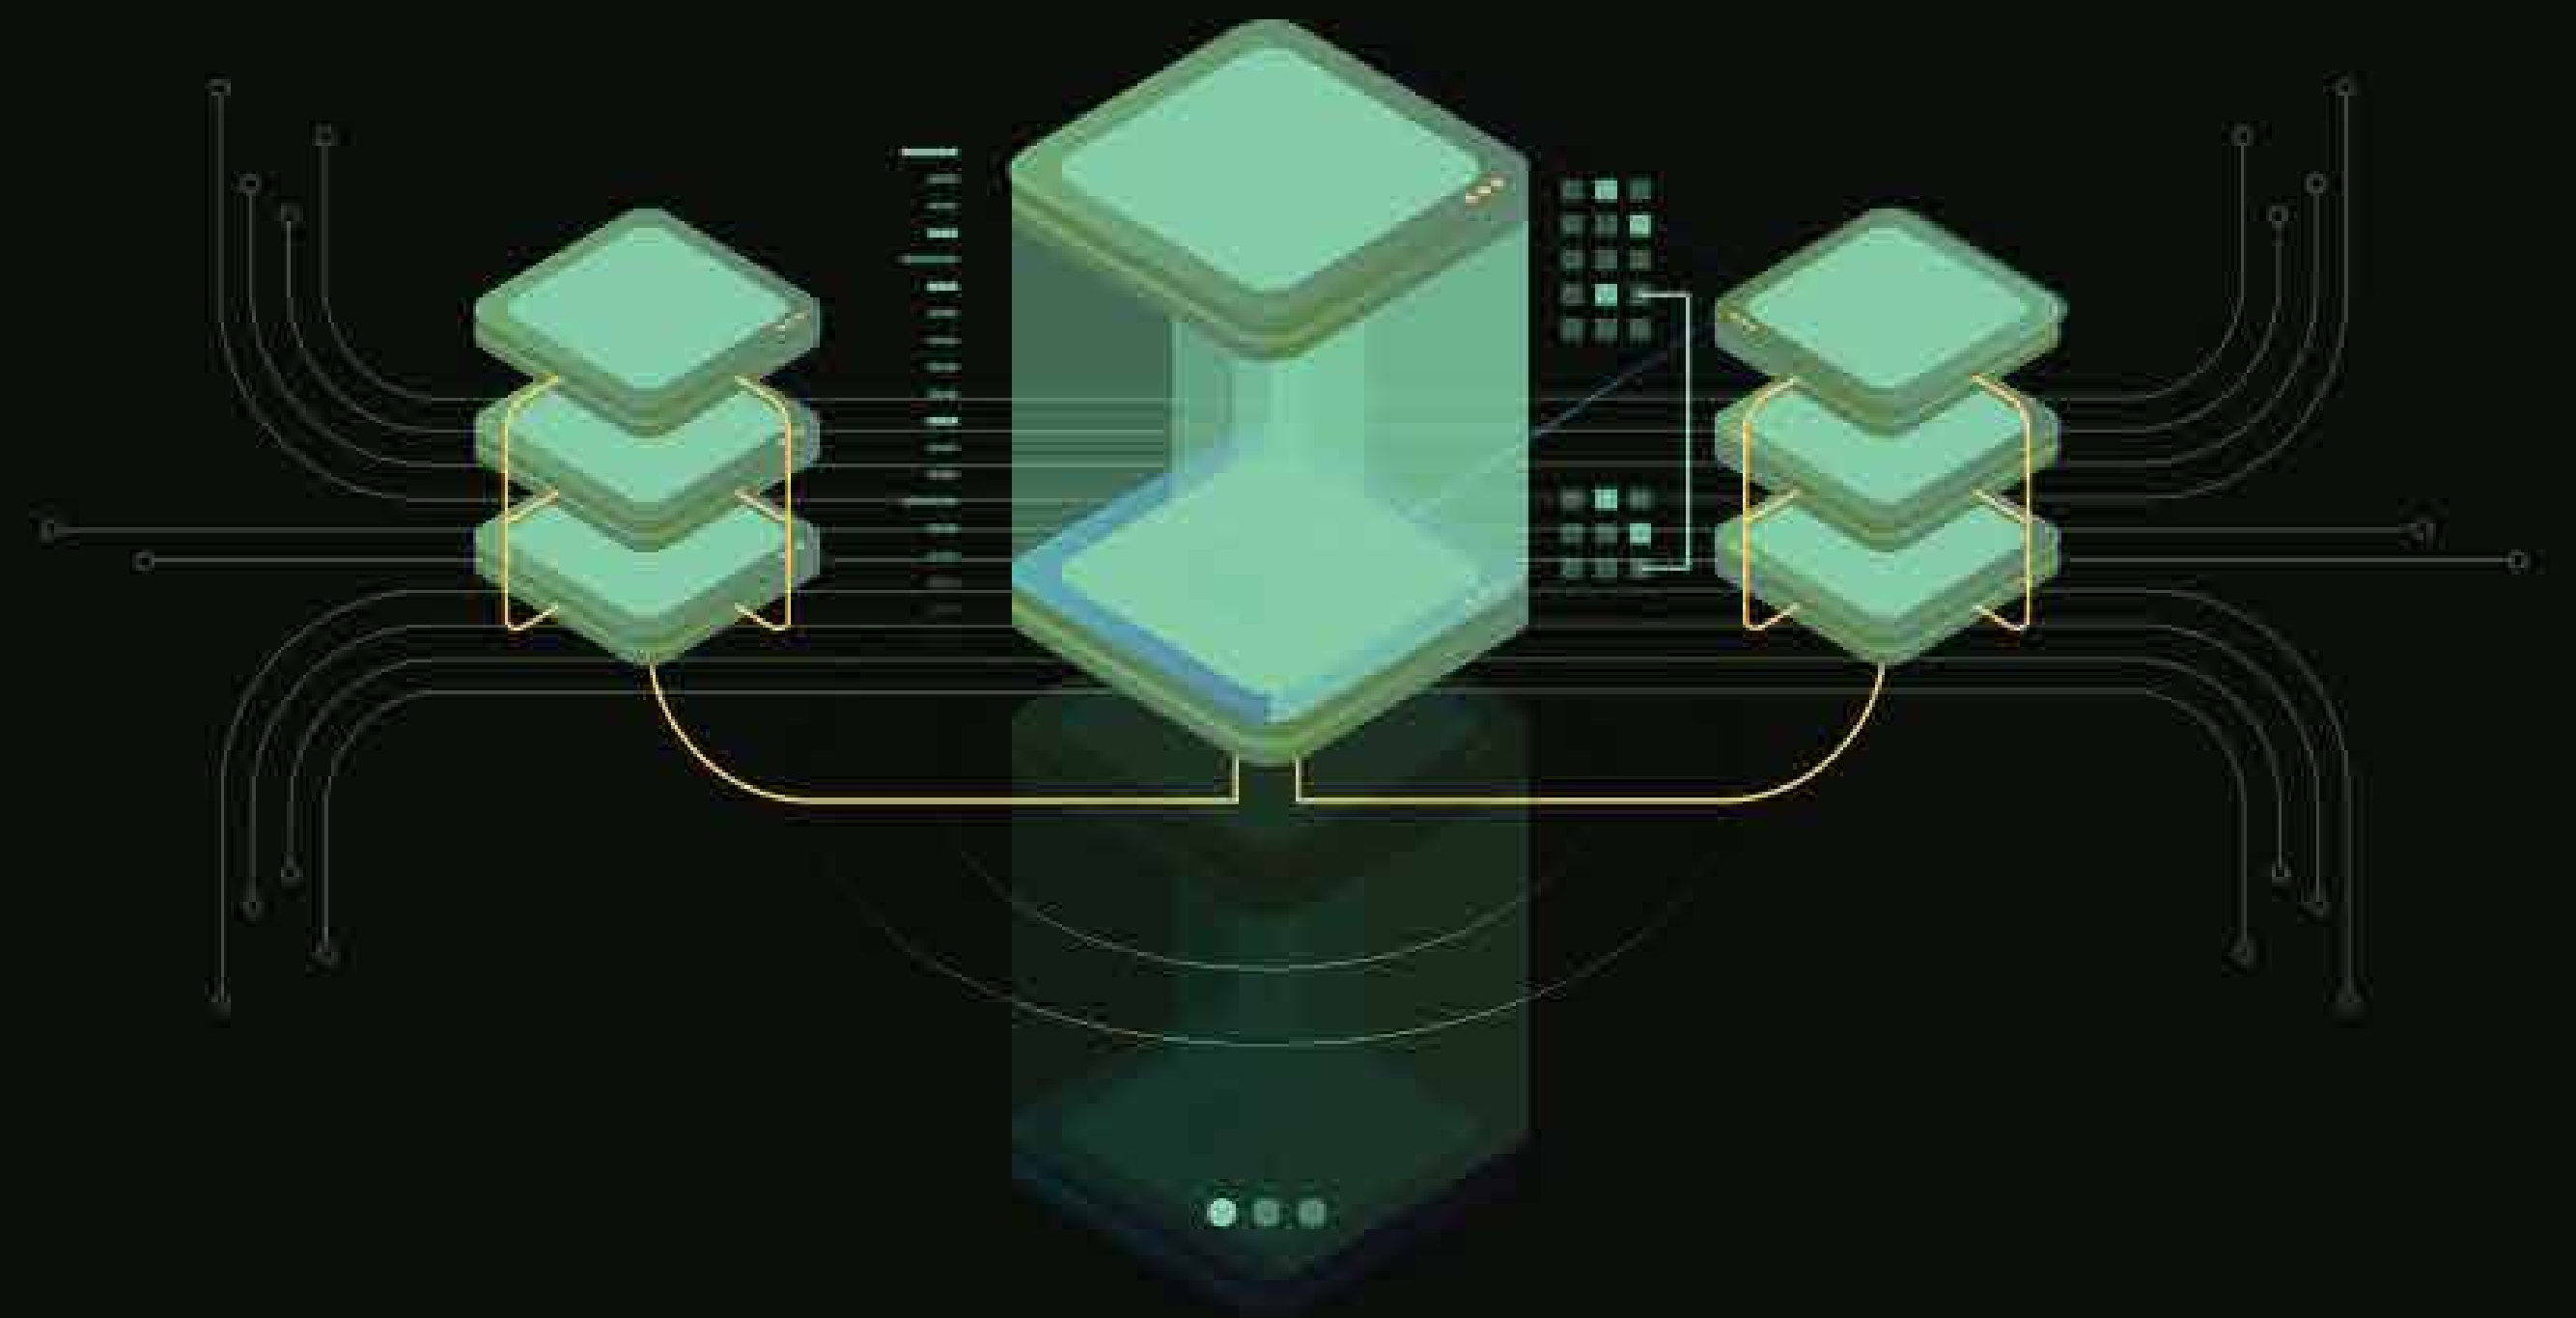

Data Exchange Platform

Duration: 33 Months

Starting Date: 1 December 2021

Completion Date: 31 August 2024

Total Budget: 2,499,780.00 €
(100% EU Funded)

OVERALL PROJECT OBJECTIVE

The approach taken with HERMES to achieve these objectives is a disruptive paradigm shift. The current approach for enabling information sharing and data exchange and collaboration is to develop standards for interoperability and individually develop and operate solutions that leverage these standards.

KEY OBJECTIVES

1

Enable Automation & Autonomy in Cybersecurity Operations

2

Facilitate Burden-Sharing Collaboration & Outsourcing of Cybersecurity Data Management

3

Improve Information Superiority & Cyber Responsive Operations

4

Deliver the Complete Design of the HERMES Data Exchange Platform

5

Bring Forward SME Innovation
